ZDM7 - Final Call for Abstracts
Submission closing Wednesday
5 March 2014

Do not miss your opportunity to take part in ZDM7 Madison, USA 2014. This is the final call for abstract submissions by interested parties to be considered as oral or poster presenters at this year’s conference. We have a truly outstanding line-up of speakers, including Keynotes addresses from Randy Peterson (Harvard University) and Alex Schier (Harvard University), and a broad line-up of invited speakers covering topics including infection, cancer biology, live-imaging, genetics and etiology of disease, chemical biology, stem cells and novel therapies entering the clinic!

For more details on ZDM7 visit our website www.zdmsociety.org/zdm7

Submit an abstract and participate in ZDM7
Abstract submission will close on Wednesday, 5 March 2014. Abstracts for submission are invited under one of the session topics:

• Novel Therapeutics
• Cancer
• Immunity and Cancer
• Immune Response to Infection
• Chemical Biology
• Benign and Malignant Hematopoiesis
• Development and Disease
• Tools for Building Disease Models
Submit Abstract for ZDM7
Submissions will be accepted as an oral or poster presentation; oral presentations will be selected by the scientific committee.
